Instructions:

Print pdf at 100%. Measure 1 inch test square to be sure pattern has printed correctly. Tape paper edges together and cut out pattern.

1. Cut two of pattern (quilting cottons work nicely).
2. With right sides together, sew center front seam.
3. With right sides together, sew center back seam.
4. With right sides together, sew inner leg seam from bottom edge of one leg to the bottom edge of the other.
5. Add elastic waistband either with a traditional casing or serge elastic to top edge of pants, turn down elastic, and top stitch
5. Hem.
